1. 8a Program Overview

The 8(a) SBA 8(a) Business Development MIS (Management Information System) Application was developed for the U.S. Small Business Administration, the Office of Government Contracting and Business Development, and the Office of Business Development (SBA, GC & BD, BD).

The SBA's mission is to maintain and strengthen the Nation's economy by aiding, counseling, assisting, and protecting the interests of small businesses and by helping businesses and families recover from disasters. The BD (Business Development) assists firms owned and controlled by economically and socially disadvantaged individuals enter the economic mainstream.

Assistance is rendered to eligible firms in a structured developmental process over a nine-year program participation term. Services include provision of: developmental analysis, counseling, and progress monitoring; management and technical assistance authorized under section 7(j) of the Small Business Act; and access to business development opportunities under section 8(a) of the Act. Firm-specific analysis, counseling, and monitoring services are provided to eligible firms by staff located in SBA's district offices. Management training and professional consulting is provided by contractors and grant recipients. Developmental opportunities, in the form of sole-source and limited competition Federal contracts, are provided by acquisition agencies.

Firms are certified for participation in the 8(a) BD Program by staff of the Office of Certification and Eligibility (OCE) located at Central Office Duty Stations (CODS) in San Francisco and Philadelphia. In addition to determining initial eligibility for the 8(a) BD Program, the OCE certifies firms as SDB's under Economy Act Agreements with Federal agencies.

This system is a web-based system for submission and processing of applications for certification under the 8(a) BD Program. The system also provides for the processing of Annual reviews submitted by 8(a) firms. Annual reviews are processed by District Offices.

Applicants submit applications for 8(a) certification electronically via the Internet. Agency staff and managers use the system's decision support analytical tools to quickly and accurately evaluate applications, and render correct eligibility decisions. Once certified, a given firm returns to the system on an annual basis over the duration of their term in the program to update their data and complete the required Annual Review forms. District Office staff are responsible for reviewing this information and conferring continued eligibility status on the firms.

By developing and deploying this system, the Agency has significantly streamlined both the 8a certification and annual review procedures, reducing processing time and improving the quality and consistency of eligibility and annual review determinations. The overall benefit is enhanced program integrity.

This documentation is the property of SBA and has been created from materials obtained from Symplicity Corporation. Use, duplication, and disclosure SHALL be in accordance with FAR 52.227-14.

2. Purpose of This Guide

This manual is intended for use by a firm either a) seeking initial certification in the 8(a) Business Development Program or b) returning to the system to enter data and complete the required forms for their 8(a) Annual Review. It provides a step-by-step guide to enable the firm to apply for 8(a) status by completing the following processes:

- Obtain a userid and password for access to the SBA General Login System (GLS). This provides secure access to the electronic 8(a) certification system.
- Enter data to complete all the forms required for 8(a) certification and/or their 8(a) Program Annual Review.
- Collect all required supporting documentation for 8(a) certification and/or their 8(a) Program Annual Review..
- Submit required data electronically to the SBA.
- Print and sign all completed forms required for 8(a) certification and/or their 8(a) Program Annual Review.
- Mail the entire package to the SBA for processing.

3. 8(a) Certification Process Overview

- I. To do business with the Federal government and to be certified under the 8(a) Program, you must register in the Central Contractor Registration (CCR) (<http://www.ccr.gov/>) database, and complete the Small Business Supplemental Page within CCR. Note - If you are a new registrant to CCR and/or updating your profile in CCR, you may experience a 24 to 72 hour waiting period before you are given access to the 8(a) Business Development Program electronic certification system, as the databases in the two systems synchronize. We apologize for any inconvenience this may cause.
- II. You must also register for an account in the SBA's General Log-in System (GLS) (https://eweb.sba.gov/gls/dsp_addcustomer.cfm).. GLS provides a single log-in point for all services of the SBA. This streamlines and simplifies service delivery to our clients. (https://eweb.sba.gov/gls/dsp_addcustomer.cfm).
- III. Log-in (<https://eweb.sba.gov/gls>) to the 8(a) Business Development Program electronic certification system via SBA General Log-in System (GLS).
- IV. Complete and submit the electronic application, following the step-by-step directions provided by the system. Also, you must mail in signed hard-copy versions of all required forms, as well as all required supporting documentation outlined in the 'Checklist' provided.
- V. The application is then reviewed by the SBA. The length of time for the review of an application depends on the complexity of the application. Regulations stipulate a maximum time-frame of ninety days to process an application from the time it is deemed complete by the SBA. So it is in your best interest to ensure that the package you mail in to the SBA contains all the required information and documentation. Otherwise processing delays could result. We will, of course, do our best to process your application and render a decision as quickly as possible.

- VI. Certified 8(a) firms, will also use this system to complete annual review materials at the appropriate annual review dates.

3.1. Access/Preparation

- I. Prior to applying for the 8(a) Program, each firm is urged to take an on-line training and self-evaluation course, which is accessible via the following link: 8(a) Business Development Suitability Tool - <http://training.sba.gov:8000/assessment>.
- II. *Paper-Based Applications* :While requiring considerably more time to process, paper application for 8(a) Program certification may be obtained by written request to: Associate Administrator for Business Development, 409 Third Street, S.W. 8th Floor, Washington, DC 20416

The screenshot shows the SBA website interface. At the top left is the SBA logo and tagline. To the right is a search bar and a language selector for Spanish. Below the header is a navigation menu with categories: Home, SMALL BUSINESS PLANNER, SERVICES, TOOLS, and LOCAL RESOURCES. The main content area is titled '8(a) Application' and includes a breadcrumb trail: Home > About SBA > SBA Programs > 8(a) Business Development Program > 8(a) Application. The main heading is 'The 8(a) Business Development Program'. The text describes the application process, mentioning an on-line suitability tool and a paper-based application option. A sidebar on the right contains a list of links including Home, About Us, Leadership, What's New, FAQs, Reports, Programs, Mentor-Protégé Program, Grant Information, Resources/Opportunities, Contacts/Representatives, 8(a) Application, Forms, Glossary of Terms, Comments, and GCBD Home Page. Two large blue arrows labeled 'I.' and 'II.' are overlaid on the page, pointing to the 'Applying On-Line for 8(a) BD Program Certification' and 'Paper-Based Applications' sections respectively.

- I. The first section of the on-line course explains the 8(a) Program in detail and culminates in an eligibility self-assessment test. The test consists of a series of simple yes/no questions that evaluate the degree to which a firm meets the basic qualifications for the 8(a) Program. If the basic eligibility criteria are met, the user is granted full access to the online application for the 8(a) Program. If key eligibility criteria are not met, the user is directed to the SBA resource most qualified to provide the assistance needed to overcome the deficiency identified by the assessment test.
- II. Responses are entered by marking "yes" or "no" for each question.
- III. After all questions have been answered, select the "submit" button (not pictured below).
- IV. To clear answers and to start over, select the "reset" button (not pictured below).

- I. After a Suitability Test is submitted, the system will present a Client Assessment and suggested next steps.

Thank you for taking the time to respond to the 8(a) Business Development Suitability Assessment Tool. Your responses indicate that your business, currently or in the near future, may be a suitable candidate for the 8(a) program. Our goal at the SBA is to ensure that firms applying to the 8(a) program are eligible, suitable and ready. We also want to be reasonably sure that the business expectations of applicants are aligned with the objectives of the 8(a) program. This program is not intended for everyone. To this end, your assessment responses demonstrate that additional training and guidance could benefit your potential success in the 8(a) program. Use the following suggestions to guide your

Suggested Next Steps	
Step 1.	Review the free online seminar, INSIGHT: Guide to the 8(a) Business Development Program. <p style="text-align: center;">Review the Online Seminar</p> <p style="text-align: center;">(Click Here)</p>
Step 2.	Discuss specific 8(a) program objectives as well as the goals of your firm with an SBA representative.
Step 3.	Sharpen your business planning skills. Review, understand and apply the elements of business planning. Take the free online course, The Beginning: Developing a Successful Business Plan and prepare a current plan for your business. <p style="text-align: center;">Register for the Online Course</p> <p style="text-align: center;">Click Here</p>
Step 4.	Visit with a business mentor, coach or counselor to discuss the growth of your business venture, specific to government contracting.
Step 5.	Expand your business skills. Review the menu of online courses available through SBA's virtual campus (http://www.sba.gov/training)
Step 6.	Follow-up with an SBA representative to discuss applying to the 8(a) program. After completing Steps 1 - 5, if you still feel you are ready to apply to the 8(a) program, proceed to the application. Apply Online (Click Here)

- II. If a sufficient number of questions in the assessment are answered in the affirmative, the subsequent Client Assessment will include a link to the 'Applicant Guide' of the BDMIS (see next page).

Client Assessment

Thank you for taking the time to respond to the 8(a) Business Development Suitability Assessment Tool. Based on your responses, it appears that you and your firm possess many of the characteristics that would make you a suitable candidate for applying to the 8(a) program. However, this tool provides only a preliminary indication of your suitability. You are encouraged to meet with an SBA representative to discuss your interest in the 8(a) program.

Suggested Next Steps

8(a) Certification

Welcome to the new internet-based system designed to help you organize and complete the materials required to obtain certification in the 8(a) Business Development Program. Following the directions closely, you will provide the SBA with the information it needs to process your application in the least amount of time. It has been designed to guide your efforts in a systematic and efficient manner. Moreover, if you don't use this system to complete and submit your application, you will experience long processing delays, as the SBA manually processes your application.

The Electronic Application Process
This new web-based interface provides step-by-step instructions to enable you to organize, complete and submit your application for 8(a) Business Development Program certification to the SBA in the least amount of time. Please note that, while an electronic record of your input to this system is retained by the agency, you must still provide hard-copy proof for the SBA to verify your claims.

The steps of the process:

1. To do business with the Federal government and to be certified under the 8(a) Program, you *must* [register in the Central Contractor Registration \(CCR\)](#) database, and complete the Small Business Supplemental Page within CCR. As a government-wide single point of vendor registration, CCR is a key aspect of streamlining and integrating electronic commerce into the Federal procurement process. Effective October 1, 2003, Federal Acquisition Regulation require contractors to register in CCR prior to award of any contract, basic agreement, basic ordering agreement, or blanket purchase agreement. It's easy to register in CCR. Just go to www.ccr.gov and select the **Start a New Registration** button.

⚠ Please read before you proceed:
If you are a new registrant to CCR and/or updating your profile in CCR, you may experience a 24 to 72 hour waiting period before you are given access to the 8(a) Business Development Program electronic certification system.

- I. Enter your firm's EIN and DUNS in the appropriate fields. These entries must match the corresponding entries in your firm's CCR/DSBS Profile. GLS must find matching entries in CCR/DSBS, or a firm will not be given access to the BDMIS. If the entries in GLS do not match the corresponding ones in CCR/DSBS, you will receive an error message and will be blocked from further progress in the BDMIS. If this occurs, re-check your entries in GLS. If the error message persists, the problem may stem from incorrect CCR profile entries. Please check your firm's EIN and DUNS in CCR and make any corrections that are warranted. Then re-try the above step.
- II. After the correct EIN and DUNS are entered, click on the 'Submit' button at the bottom of the page.

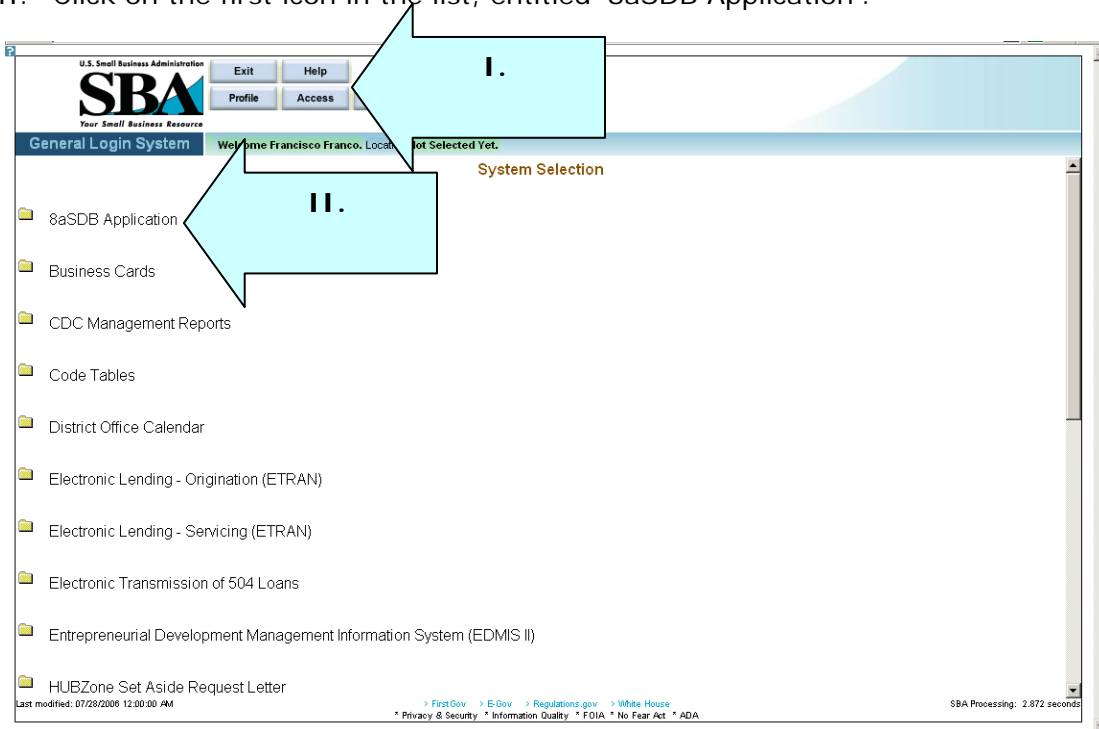

The screenshot shows the SBA General Login System interface. At the top, there are navigation buttons: Exit, Help, Profile, Access, Choose Function, and Change Password. Below this is the SBA logo and the text "Your Small Business Resource". The main heading is "General Login System" with a sub-message: "Welcome Francisco Franco. Location Not Selected Yet." The form contains several input fields: "Zip+4 Code" (20878), "Street 1" (1234 Jones Street), "City Name" (GAITHERSBURG, MD), "Phone Number" (Country: 1, Area Code: 301, Phone Number: 333-6666), "E-Mail Address" (lafayette89@msn.com), and "Re-enter E-Mail" (lafayette89@msn.com). There are also fields for "EIN/SSN" and "DUNS". The "EIN/SSN" field has radio buttons for "EIN(99-9999999)" (selected) and "SSN(99-99-9999)". Below the form are "Reset", "Clear", and "Submit" buttons. At the bottom, there is a footer with "Last modified: 04/01/2008 12:00:00 AM", navigation links, and "SBA Processing: 0.178 seconds". Two large blue arrows, labeled "I." and "II.", point to the "EIN/SSN" and "DUNS" fields respectively.

- I. If GLS finds the matching entries in CCR, the Message “your profile information has been successfully updated” appears on the next screen.

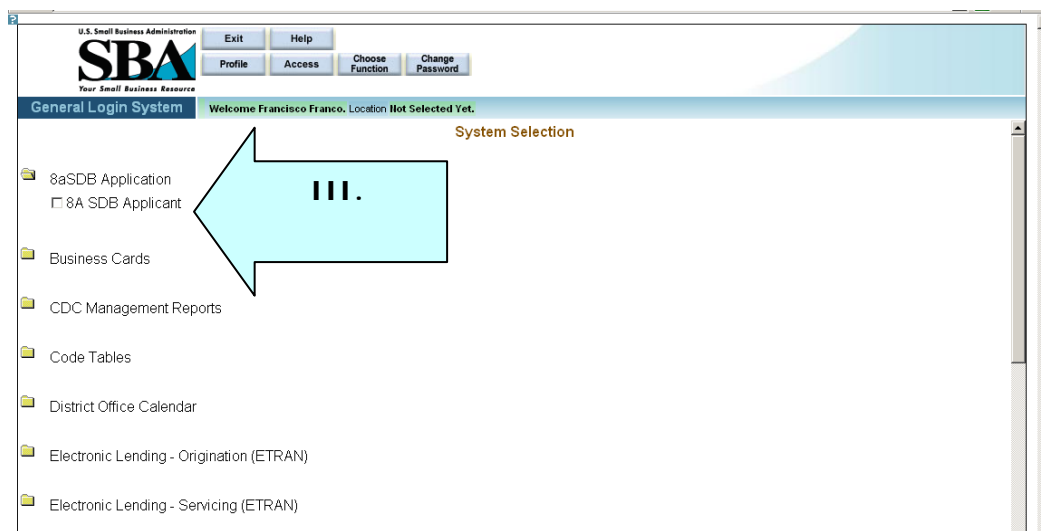

3.5. Request 8aSDB Application Access

- I. Click on the blue button marked "Access" at the top of the screen to request access to the 8(a) certification application. You will be presented with a list of file folder icons that reflect the systems available to you.

- I. To get further assistance with the 8(a) application/certification, email questions or concerns to BDMIS@sba.gov

3.9. Submit an 8(a) Application

3.9.1. Navigate to the 8(a) Application

- I. Click the "8aSDB Application" link to navigate to the online application.

3.9.2. Steps of the Online 8(a) Application

After successfully logging-in, the user is first presented with an overview page of the 6 step application process. The first steps are 'active' and are shaded in green and yellow. Subsequent (i.e., not yet applicable) steps are shown with a gray 'inactive' background. As an applicant progresses through the process, the subsequent steps become 'active' and the colors change from grey to green and yellow.

Step 1: Submit Notarized Authorization Form

- Applicants are required to submit a notarized authorization form. Click the "Download and Print Authorization Form" to print a copy of the form.

Step 2: Complete Required Application Forms.

- Applicants will complete web based forms to enter their application materials.
- Applicants can preview their application, as a single PDF document, by using the "Preview application Forms (PDF File).

Step 3: Assemble Supporting Documentation

- A checklist is provided to help applicants organize this material. View and print out the checklist by clicking on the "Download and Print Supporting Document Checklist" button (shown in step 5). Once these documents have been collected, sign the checklist and include it with submitted application in step 6. Applicants will complete web based forms to enter their application materials.

Step 4: Submit On-Line Input

- Complete the online application forms.
- The status of each form is shown.
- Only complete forms should/can be submitted as part of an application.

Step 5: Download, Print and Sign Completed Application

- Use the "Download and Print Supporting Document checklist" to print out a completed application.

3.9.4. Step 2) Enter Forms / Edit Data

- I. Step two is where forms are completed in the system.
- II. Click the link "detailed status of each form" to navigate to the forms that need to be completed.

- III. Doing so takes you to the bottom of the page. Here you will see a listing of each form under the heading "Individual Form Status".
- IV. Forms are highlighted in yellow designated with a red x if they are not complete.
- V. When forms have been completed, they will be marked with a green "checkmark".
- VI. Click "Complete/Update Form" to open the form for edits.

- VII. When the application is started, the following forms will be listed for the applicant:
 - a. Form 1010, Business Information
 - b. Form 1010, Personal Information
 - c. Form 1623
 - d. Form 1790

- I. When a form is open for edits, a red asterisk indicates that the field is a required field. You will not be able to complete the form until all required fields have been entered.
- II. Use the "Save Changes" button to save data in the online form. After use, remain on the form for further edits.
- III. Use the "Save & Return to Overview" button to save the data to the form, and to return to the application overview page.
- IV. Use the "Verify Completeness" button to ensure all required fields have been answered.
- V. Use the "Clear Changes" to revert the form to the last version that was saved.
- VI. Use the "Return to Overview" button to return to the overview without saving.

The screenshot shows the '8(a) Business Development Program Certification' form. At the top, there is a navigation bar with the SBA logo and a 'Logout' button. Below the navigation bar, there are five buttons: 'Save Changes', 'Save & Return To Overview', 'Verify Completeness', 'Clear Changes', and 'Return To Overview'. The form contains several input fields, all marked with a red asterisk to indicate they are required. Callouts I through VII are placed as follows:

- Callout I:** A large blue arrow pointing left towards the 'Address*' field.
- Callout II:** A large blue arrow pointing down towards the 'Name of Firm*' field.
- Callout III:** A large blue arrow pointing up towards the 'Telephone*' field.
- Callout IV:** A large blue arrow pointing up towards the 'Verify Completeness' button.
- Callout V:** A large blue arrow pointing up towards the 'Clear Changes' button.
- Callout VI:** A large blue arrow pointing up towards the 'Return To Overview' button.
- Callout VII:** A large blue arrow pointing up towards the 'Address*' field.

The form fields include:

- 1. Name of Firm*
- Section I: Business Profile
- 1. Telephone*
- 2. Fax*
- 3. Address*
 - 1. Street Address
 - 2. City* ?
 - 3. State*
 - 4. Zip*
 - 5. County*
- 4. Email*

* indicates a required field

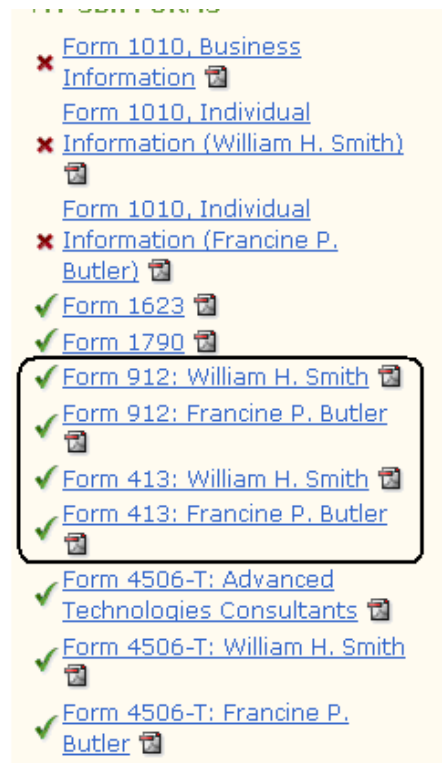

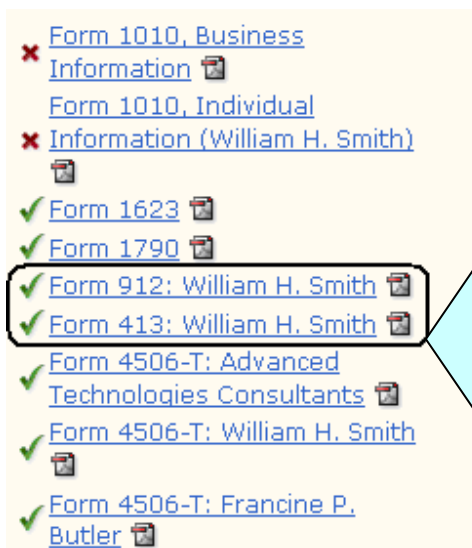

- I. When the 'Verify Completeness' button is clicked, any missing data is highlighted at the top of the page in an "errors detected" box outlined in red. The form shows a red 'X' at this point, which indicates the form is still incomplete. To complete a form successfully, the user must resolve all errors in the form. Only then will a green 'checkmark' replace the red 'X' for this form.

The screenshot shows the top navigation bar with the SBA logo and the title "8(a) Business Development Program Certification". Below the header, the page title is "Form 1010, Business Information test". A red-bordered box contains an error message: "Errors detected - please see below:" followed by a bullet point: "The total ownership of the firm listed in the Business Management and Administration must be 100%. Currently, 50.5% is accounted for." Below the error box are buttons for "Save Changes", "Save & Return To Overview", "Verify Completeness", "Clear Changes", and "Return To Overview". A light blue arrow labeled "II." points from the error box to the "Verify Completeness" button. At the bottom, a form field for "1. Name of Firm*" contains the text "test". To the right, a "MY SBA FORMS" sidebar lists several forms with red 'X' icons indicating they are incomplete.

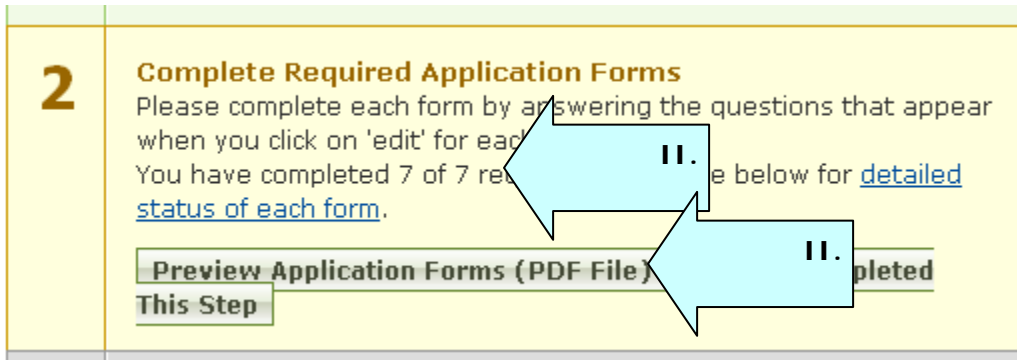

- II. Go through each form, and complete the required elements. Use the 'Verify Completeness' function on each form to ensure it is ready for submission. A form is ready for submission when it shows a green 'checkmark' on the Overview page, or the 'My SBA Forms' section on any page (example at right).

This screenshot shows the "MY SBA FORMS" sidebar from the previous image. In this version, all the forms listed have a green checkmark icon next to their names, indicating they are now complete. The list includes: "Form 1010, Business Information", "Form 1010, Personal Information", "Form 1623", "Form 1790", "Form 912: bill smith", "Form 912: francine bulter", "Form 413: bill smith", "Form 413: francine bulter", "Form 4506-T: test", "Form 4506-T: bill smith", and "Form 4506-T: francine bulter".

- I. As the applicant enters data into the online forms, especially the 'Form 1010, Business Information,' the system creates additional forms as warranted by the existing regulations.
- II. For example, any owner claiming social disadvantage in the Form 1010 or showing 10% or more ownership of the firm triggers the creation of Forms 413 and 912 for these individuals.
- III. Image of Required forms that result if in the Form 1010 Business Information Form 1010 only William Smith is listed as having greater than 10 % ownership and claiming social disadvantage.
- IV. Image of Required forms that result if in the Form 1010 Business Information Form 1010 has both Francine P. Butler and William Smith with greater than 10 % ownership and claiming social disadvantage.

- I. Applicants can make edits to forms until the application is submitted. If changes are made in any form, be sure to validate them with the 'Verify Completeness' function.
- II. After all forms have verified complete as described above, Step 2 on the Overview displays the notation 'You have completed 7 of 7 forms' as well as two active buttons, 'Preview Application (PDF File)' and 'I Have Completed This Step'. Click on both buttons to confirm completion of this step.

- III. If you click the "view draft" link, the forms will open in printable format (with DRAFT designation).

4. 8(a) Program Annual Review

4.1. Returning Users - Logon

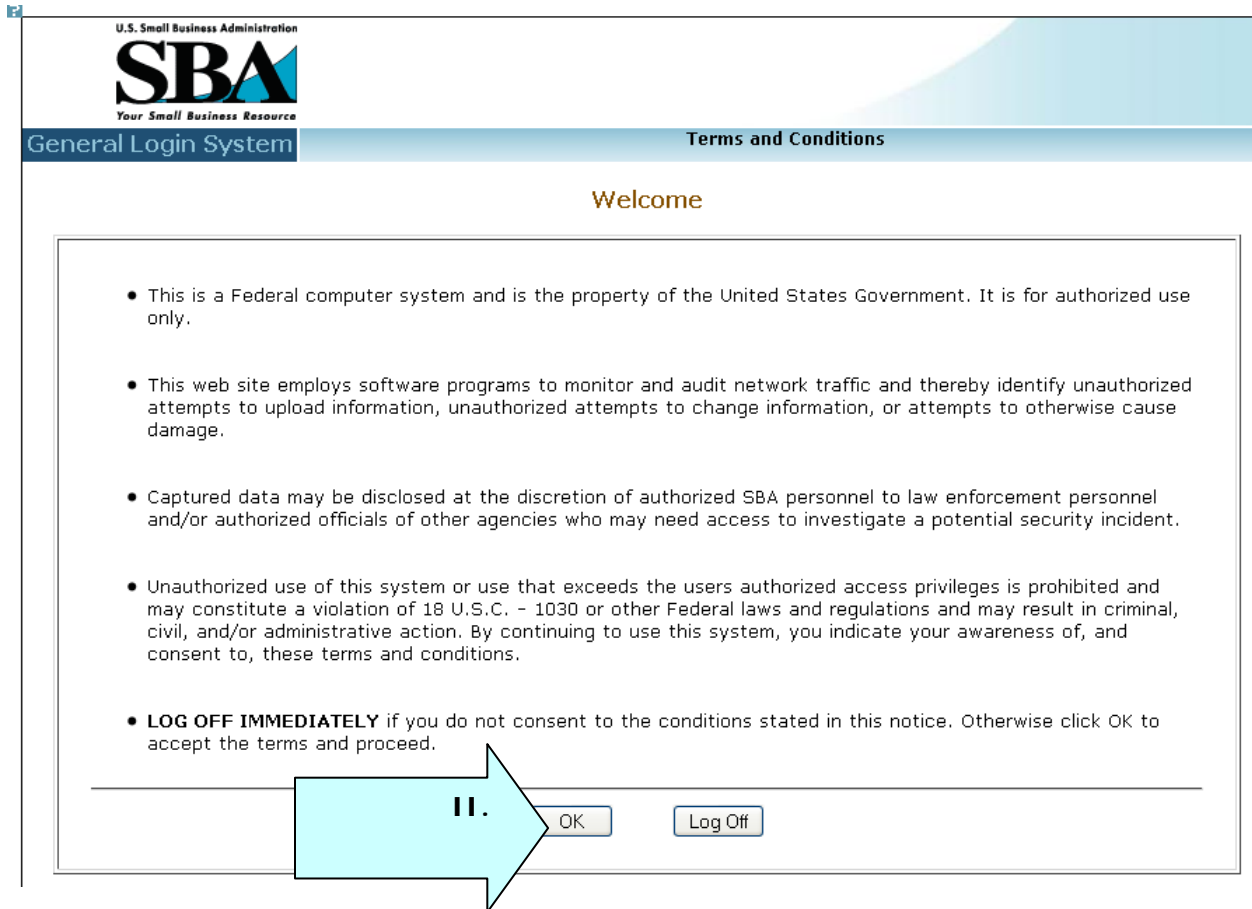

One year after an approval has been granted, firms are prompted to complete the steps required to complete their 8(a) Program Annual Review. A firm is required to undergo this review on an annual basis to maintain eligibility for the program. The maximum program tenure for any firm is nine years. When completing and submitting forms for the Annual Review, a returning firm is presented with the same interface they used when applying for 8(a) program certification. The firm also uses the same GLS userid and password they used when applying for 8(a) certification.

- I. Point your browser to https://eweb.sba.gov/gls/dsp_login.cfm
- II. The main navigation options for this page run along the left side of the page.
- III. In the center of the page, you can enter your user id and password for your SBA Account.
- IV. Select "login" button to logon to the online system.
- V. If you do not have a user name and password, use the left navigation bar option "request SBA User ID, and follow the directions on pp. 12 – 25. Then return to this section for further instructions.
- VI. There is also a "forgot password" option that can be used to assist users needing password assistance.

The screenshot shows the SBA Account Login interface. At the top left is the SBA logo and 'U.S. Small Business Administration' with a 'Help' button. Below the logo is the text 'General Login System'. The date 'November 03, 2008' is displayed on the right. A left-hand navigation menu contains links: 'Forgot User ID?', 'Forgot Password?', 'Instructions for GLS', 'Request SBA User ID', and 'Contact SBA Security'. The main content area is titled 'SBA Account Login' and contains two input fields: 'User ID:' and 'Password:'. Below these fields are 'Login' and 'Clear' buttons. A blue link 'Text Only' is located at the bottom right. Three cyan arrows with labels II., III., and IV. point to the navigation menu, the input fields, and the Login button, respectively.

This documentation is the property of SBA and has been created from materials obtained from Symplicity Corporation. Use, duplication, and disclosure SHALL be in accordance with FAR 52.227-14.

- I. Once a user has logged onto the system, a 'Terms of Use' screen is presented.
- II. To accept the terms of use, click the 'OK' button.
- III. If you do not agree to the terms of use, click the 'Log Off' button.

The user is now presented with the 'Overview' page. This page contains all the instructions, steps and forms for completing the Annual Review. Note that it closely resembles the interface used by the firm for their original 8(a) certification. By thus ensuring that the firm returns to a familiar user environment for the Annual Review, we hope to boost user productivity and satisfaction.

- I. The 'Overview' also indicates the date the Annual Review submission is due from the firm. This date is the current 8(a) program year anniversary date plus thirty days.
